2.2 TERM OF CONTRACT:
It is requested that the bidder quote fixed prices that will be guaranteed to the City of Miami Gardens and the Southeast Florida Governmental Co-Op for an initial period of one year which is expected to begin on or about September 1, 2010. The City reserves the right to exercise the option to renew annually (subject to the appropriation of funds), not to exceed a maximum of two (2) years. Annual renewals will be based on the successful bidder agreeing to the same terms and conditions and by filing written notice to the City not less than ninety (90) days prior to renewal date of any adjustment in the contract amount. Continuation of the contract beyond the initial period is a City prerogative; not a right of the bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the City. This contract is not an exclusive contract.

No price increase will be accepted during the initial contract period. Renewal terms allow for a request for an increase at the time of renewal based on contractor's cost increase not to exceed the current C.P.I. index at time of renewal. A written notice sent to the City for approval of any increase prior to renewal accompanied by contractor's documentation to substantiate need for price increase. No more than one price increase will be accepted during the renewal period.

The contractor may make application for price adjustment to the renewal contract if the Consumer Price Index; U.S. Bureau of Labor Statistics; All Urban Consumers; U.S. City Average; that occurred between the newest C.P.I. index publication available at time of request increases 5% or more during this period of the contract.

If during the contract period, the total C.P.I. decreases 3% or more, the contractor is required to extend to the City a price decrease equal in percentage to the percentage of the index.

Orders will be placed to vendors on as-needed when needed basis to meet each City's requirements.

2.3 METHOD OF AWARD:
The City reserves the right to award to a primary and secondary contractor if it is in the best interest of the City and Co-Op. If a multiple award is given, Purchase Orders for task orders will be made on the basis of the unit prices submitted and the availability of the bidders work unit to the schedule set by the City. These items and quantities are projections, and shall not be construed as a base bid or a guaranteed amount.

2.4 PAYMENT:
Payment will be made upon final completion and acceptance, by the City, of each assigned project. Payments will be made in accordance with Florida Prompt Payment – 45 days from receipt of invoice. No draws or partial payments will be made while work is in progress.

The City has implemented a purchasing card program through Sun Trust Bank, using the VISA network. Contractors with purchasing card capability will receive payment from the VISA purchasing card in the same manner as other Visa purchases. Accordingly, respondents with present purchasing card capability shall have the ability to accept VISA or take whatever steps necessary to implement the ability before the start of the agreement term. For reasons satisfactory to the City's Representative, the City may waive any claims on the Contractor for the damages referred to.

The City seeks a source of supply that will provide accurate and timely completion. The awarded contractor must adhere to completion schedules. If, in the opinion of the Public Works Director, the successful contractor fails at any time to meet the requirements herein, including completion requirements, then the contract may be cancelled upon written notification for default of contract.

2.6 FAILURE TO PERFORM:
If, in the opinion of the City's representative, the Contractor refuses to begin work, improperly perform said work, or shall neglect or refuse to take out or rebuild such work, as shall have been rejected or as being defective or unsuitable, then City's representative may notify the Contractor to repair and replace work immediately or discontinue all work under this Contract.

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part II instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. It the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification Instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien,
• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
• An estate (other than a foreign estate), or
• A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

• The U.S. owner of a disregarded entity and not the entity.
