November 26, 2010

The Mayor, Commissioners, and City Manager of Dania Beach:

In 2001 a great man, in my opinion, by the name of Art Barker wanted to help families realize their ultimate American dream that of owning their own home. Mr. Barker did so by giving a very generous donation.

By making this dream a reality he enlisted help from Habitat for Humanity with the understanding that they match dollar for dollar, and that these homes be built in the City of Dania Beach. This dream was realized when in 2010 eighteen (18) new homes were completed and eighteen (18) deserving families also realized their dreams.

It saddens me to inform you that Mr. Barker passed away earlier this year.

In his memory, I, as a former Commissioner of Dania Beach admired the accomplishments of this man who did so much for a generation of young people - my generation, and the residents of this new community request that a street be named after him to be known as "Barker Lane" currently known as SW 23rd Terrace.

I am aware that Mr. Barker was known to many people in Dania Beach who also admired him and would want him to know how much he was appreciated.

Sincerely,

Robert H. Chunn Jr. President
