Dear Mr. Baldwin:

This letter serves as a proposal to extend the agreement between the City of Dania Beach & CLD & Associates, LLC, effective January 1, 2011 through December 3, 2011 for governmental relations consulting services. It has been a pleasure to represent the City for the past 3 legislative sessions but I am proposing to move the contract to year round in order to more effectively reflect the issues I've been following of interest to the City, assist with issues which arise involving state agencies and for better preparation to the legislative session as well as post session follow up. As you are aware, my previous contracts were for session only but I was contacted during the interim on several occasions to assist in other matters.

For year round consulting services on behalf of Dania Beach, I propose a flat fee of \$36,000 payable to CLD & Associates, LLC in equal monthly installments of \$3,000 on the 1<sup>st</sup> of each month retroactive to January 1<sup>st</sup>, 2011.

In consideration of the above fee, CLD & Associates, LLC shall provide the following services:

- \* Advice & consultation in support of the City's 2011 legislative agenda as outlined by the City Manager & Commission.
- \* Lobbying services before the Legislative & Executive Branch agencies
- \* Meetings as necessary with the City Manager and/or other designated City officials.
- \* Compliance with registration & compensation reporting as lobbyist for the City with the Legislative & Executive Branches in accordance with Sections 11.045 and 112.135, Florida Statutes, and all other appropriate legal requirements.

If the terms of this proposal are acceptable, please indicate your acceptance of the above by signing, dating & returning this letter of agreement to 225 S. Adams Street Suite 250 Tallahassee, FL 32301.
