Travelocity fees and airline charges will be shown as separate items on your credit card statement. Airline charges may also be listed separately for each passenger.

The total price for your booking may increase after your purchase due to an increase of a government-imposed tax or fee.

Change Policies

Some tickets do not allow any changes. Ticket changes also have airline penalties and/or increased fares. If your ticket is changeable, any changes must be made prior to departure. Airlines will charge a fee to use your ticket as credit for a new ticket purchase. This fee varies by airline, market, and specific fare rules, and may be \$150 or more for domestic tickets and \$200 or more for international tickets.

If you fail to show up for any segment of your flight itinerary, the airline will automatically cancel the remainder of your flights and they will lose all monetary value. You will not be entitled to a refund for any unused portions of your flight travel.

Cancellation Policies

If you cancel you will not receive a refund. You must cancel your reservation prior to departure to retain any ticket value. Depending on the airline and fare rules, the residual value that is remaining may be eligible to be applied to future travel, providing the cancellation, rebooking, and re-ticketing of your reservation is at least one day prior to your originally scheduled date of departure.

Airlines usually deduct \$150 or more for domestic tickets and \$200 or more for international tickets before determining if there is any value that can be applied toward future travel.

Domestic Flight Notice

Air transportation to be provided between points in the U.S. (including its overseas territories and possessions) is subject to the individual contract terms (including rules, regulations, tariffs and conditions) of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage.

Where this coupon is issued for transportation or services other than air travel, specific terms and conditions may apply. These terms and conditions may be included in the ticket set or may be obtained from the issuing company or agent.

Please make sure you have reviewed the important legal notice entitled "Conditions of Contract", "Notice of Incorporated Terms", "Notice of Baggage Liability Limitations", and "Notice of Overbooking" in [Terms & Conditions of Travel](#) or the specific terms and conditions relating to non-air transportation or services.

The [Terms & Conditions of Travel](#) will also be available at the airport prior to your flight departure.

International Flight (Warsaw Convention) Notice

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and for the loss of or damage to baggage.

See also the notices entitled "Advice to International Passengers on Limitation of Liability" and "notice of Baggage Liability Limitations" [Terms & Conditions of Travel](#).
