

CITY OF DANIA BEACH
COMMUNITY DEVELOPMENT DEPARTMENT
STAFF REPORT

DATE: July 24, 2012

TO: Robert Baldwin, City Manager

VIA: Marc LaFerrier, AICP, Director 

FROM: Corinne Lajoie, AICP, LEED Green Associate, Principal Planner 

SUBJECT: **PL-19-12:** The applicant, Craven Thompson and Associates, on behalf of Broward County Board of County Commissioners, is requesting to replat a property located at 5440 Anglers Avenue (FIRST READING).

PLAT

To replat a property restricting the use to 250,000 square feet of public transit facility use.

PROPERTY INFORMATION:

ZONING: Commercial (C-4)
FUTURE LAND USE: Industrial

The subject property is located on the east side of Anglers Avenue, immediately north of Tigertail Boulevard. The property is the current site of the Broward County bus facility.

PLAT

The applicant is requesting to establish a plat note limiting the use of the property to:

This plat is restricted to 250,000 square feet of public transit facility use.

In addition to establishing the use, the plat also addresses access points to the property. The only change to existing access points that is proposed is to eliminate one curb cut at the northwest corner of the property and replaced it with a shared access point on City owned property at the Tigertail Lake Center where the dog diving dock is located. Relocating the access to this shared point will allow for alignment with SW 53 Court, located on the west side of Anglers Avenue, which will improve safety in the area.

The shared access requires the City and County to enter into an access easement agreement that will be approved by the City Commission. The county is in the process of proposing enhancements and improvements to the park that will include maintenance, landscaping and signage.

The two access points on Anglers Avenue will remain. This request has been reviewed by the Fire Marshal's Office, Public Services and Community Development.

PLANNING AND ZONING BOARD RECOMMENDATION

On July 18, 2012 the Planning and Zoning Board will hear this item. The Board's recommendation will be presented at the City Commission meeting.

STAFF RECOMMENDATION

Approve, provided the conditions of the access easement agreement is accepted and approved by the City Commission.
