RE: Regional Communication

---

The attached resolution represents our previous position that regional communications is the responsibility of Broward County government and should be fully funded through Broward County ad valorem taxes.

I recommend approval of the attached resolution.

I-Board Members,

At the September 21, 2012 meeting of the I Board the Board voted 16-2 (with only Broward County and Coral Springs dissenting) to support a resolution put forward by the City of Weston. A copy of the Word document of the resolution is attached for your use and modification to your needs.

Based on the approval of the I-Board, it is requested that the resolution be brought before your governing body for consideration during the month of October 2012. Please forward a copy of those resolutions that are passed and adopted to Alphonso Jefferson, Jr., Assistant to the County Administrator, no later than November 13, 2012. This will allow for adequate time to prepare an item for the November 27, 2012 Board commission meeting.

Under Florida law, most e-mail messages to or from Broward County employees or officials are public records, available to any person upon request, absent an exemption. Therefore, any e-mail message to or from the County, inclusive of e-mail addresses contained therein, may be subject to public disclosure.
