WHEREAS, the City desires to develop and implement a non-ad valorem assessment roll for the year 2011 and succeeding years, to provide funds from property owners within the City for Storm Water services.

WHEREAS, the City desires to use the services of Property Appraiser to create and maintain a non-ad valorem tax roll, and Property Appraiser is prepared to do so on behalf of the City.

NOW, THEREFORE, in consideration of the mutual covenants, promises, and other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, the parties do hereby agree as follows:

1. The Property Appraiser agrees to perform the following services for the City:
 - A. Should the City desire to use additional property characteristics other than those already in the computer records, Property Appraiser will advise City whether this is possible, when it can be accomplished, and the additional cost incurred of so doing.
 - B. Provide the City with an annual preliminary estimate of the number of each type of property within the City (e.g., single family residential, vacant land, condominium, etc.) for the City’s planning purposes in establishing its non-ad valorem assessments.

- C. Receive from the City its preliminary non-ad valorem assessment levy for each type of property and preliminarily extend that amount against each parcel of real property within the City.
- D. Furnish the City with a computer-readable data file in ascii format of the Non-Ad Valorem Roll when such preliminary amounts have been extended.
- E. Upon notification by the City of their proposed date for the scheduled public hearing, the Property Appraiser shall immediately let the City know whether the 20-day advanced notification requirement cannot be met for said proposed public hearing date.

- G. Receive from the City corrections to the roll and update the Non-Ad Valorem Assessment Roll with the changed and corrected information.

2. City agrees to perform the following acts in connection with this agreement:

- A. Advise the property owners within the City in an appropriate and lawful manner of the City's intention to utilize the uniform non-ad valorem assessment method described in Sections 197.3631 through 197.3635, Florida Statutes and carry out its responsibilities under said Sections.

3. Within 30 days of invoice, the Property Appraiser shall be compensated by the City for all administrative costs incurred in carrying out this Agreement at the rate of \$.50 per parcel. The parties understand this rate per parcel does not include any amount for extraordinary programming or other services required by the City. For purposes of this Agreement, "extraordinary programming" shall mean the creation of customized computer programs, assessment calculation routines or creation of data not normally used by the Property Appraiser. In the event that the use of extraordinary programming or creation of such data is required, the Property Appraiser shall estimate the cost of such programming or creation of such data and inform the City of such cost in writing in advance.
