Subject: Regional Interlocal Agreement (RILA)

The proposed RILA Agreement between the City of Dania Beach and Broward County replaces the existing agreement between the City of Dania Beach and the Broward Sheriff's Office. This replacement RILA is ministerial and necessary following Broward County's assumed responsibility for regional dispatch from the Broward Sheriff's Office in October 2012. There are some minor changes, which include:

- The Exhibits
- Termination Date: unified for all municipalities
- Contact Information: updated from BSO to Broward County

Recommendation

Approve the Regional Interlocal Agreement between the City of Dania Beach and Broward County.
