  - 7.9.1 Real property acquired utilizing CDBG Funds provided under this Agreement shall be subject to a Declaration of Restrictive Covenants in favor of COUNTY, in substantially the form provided to CITY by COUNTY. The Declaration of Restrictive Covenants shall ensure that the real property is used for eligible activities consistent with the Rules and Regulations of H.U.D. and that CITY's overall project to be completed following acquisition of the property complies with the H.U.D. National Objective set forth in Exhibit "A," Project Description, consistent with 24 C.F.R. 570.208. The Declaration of Restrictive Covenants shall be recorded by COUNTY in the Public Records of Broward County, Florida, prior to the disbursement of any CDBG Funds under this Agreement and shall be a covenant running with the land for a period five (5) years after completion of the H.U.D. National Objective. If the CDBG Funds provided to CITY are in the form of a loan versus a grant, CITY shall execute a Promissory Note, in favor of COUNTY, in substantially the form provided by COUNTY to CITY. Failure to use the property for the purpose(s) intended and pursuant to the terms within this Agreement shall result in breach of this Agreement and all remedies available to COUNTY.
  - 7.9.2 Before entering into a lease or sublease with a third party, CITY shall notify the Division in writing of its intent to enter into a lease or sublease, provide a copy of the proposed lease or sublease and obtain the Division's consent.
  - 7.9.3 Property acquired utilizing CDBG Funds provided under this Agreement shall be used for the original approved purpose and CITY shall demonstrate significant progress within twelve (12) months of closing on such property. In the event such progress is not evidenced nor commenced within said twelve (12) months of closing, CITY shall transfer ownership of the property acquired with CDBG Funds to COUNTY, if COUNTY so requests in writing.

- 7.9.8 Proceeds from the sale of real property purchased in whole or in part with CDBG Funds shall be used for the originally authorized purposes as long as needed for that purpose(s), and CITY shall not dispose of or encumber its title or other interests, consistent with 24 C.F.R. 85.31.
- 7.9.9 Method of transfers of real property acquired with or improved by use of CDBG Funds shall be accomplished after written approval by the Division Director.
- 7.10 Real property, equipment and supplies acquired with CDBG Funds provided under this Agreement, and no longer needed for the originally authorized purpose, shall be disposed of in the manner authorized by the Division Director consistent with 24 C.F.R. 85 after CITY has requested disposition instructions.
- 7.11 If there is any construction work over Two Thousand and 00/100 Dollars (\$2,000.00), financed in whole or part with CDBG Funds under this Agreement, CITY shall, if applicable, comply with the Davis-Bacon Act, 40 U.S.C. 276a-276a-5, as amended, which requires all laborers and mechanics working on the Project be paid not less than prevailing wage rates as determined by the Secretary of Labor. COUNTY shall determine the applicability of the Davis-Bacon Act to the Project under this Agreement.
- 7.12 If CITY is seeking to use CDBG Funds for payment of impact fees, CITY shall attempt to secure a waiver of such impact fees. If CITY is unsuccessful in

obtaining a waiver, CITY shall submit to the Division documentation reflecting CITY's unsuccessful efforts prior to utilization of CDBG Funds for payment of impact fees.

7.13 CITY shall administer, in good faith, a policy designed to assure a workplace free from the illegal use, possession, or distribution of drugs or alcohol by its beneficiaries.

7.14 CITY shall provide applicants for rehabilitation assistance, tenants in housing being rehabilitated and purchasers of H.U.D. associated housing with information concerning the dangers of Lead-Based Paint.

7.15 CITY agrees that:

7.15.1 No federal appropriated funds have been paid or will be paid, by or on behalf of CITY, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal funded contract, grant, loan or cooperative agreement.

7.15.2 If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal funded contract, grant, loan, or cooperative agreement, CITY shall complete and submit COUNTY's Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

7.15.3 CITY shall assure that the language of this Section 7.15 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients of funding shall comply with the requirements.

7.16 In accordance with Section 519 of Public Law 101-144 and Section 104 (I) of the Federal Act (the H.U.D. Appropriations Act), CITY certifies that it has adopted and is enforcing a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations.

## ARTICLE 8 - FINANCIAL RESPONSIBILITY

- 8.1 CITY shall give COUNTY, H.U.D., and the U. S. Comptroller General, through any authorized representative, access to and the right to examine all records, books, papers, or documents relating to the Project.
- 8.2 CITY shall comply with the requirements and standards of OMB Circular A-87 (now 2 C.F.R. 225), "Cost Principles for State, Local and Indian Tribal Governments" and 24 C.F.R. 85, incorporated herein by reference, as may be amended from time to time and copies of which are incorporated herein by reference.
- 8.3 CITY shall comply with the audit requirements of OMB Circular A-133, entitled "Audits of States, Local Governments and Non-Profit Organizations." The audit shall cover the entire operations of the local government or, at the option of that government, may cover only the department or agency that received, expended, or otherwise administered the federal funds. Such audit must be filed with COUNTY within one hundred twenty (120) days after the close of the fiscal year of the governmental entity. All grant funds from COUNTY should be shown via explicit disclosure in the annual financial statements or the accompanying notes to the financial statements.
- 8.4 CITY shall use all CDBG Funds for the Program only for eligible activities specifically outlined in this Agreement. In the event any of such funds are used for ineligible activities, such inappropriately used funds shall be repaid to COUNTY by CITY, and COUNTY, in its sole discretion, may reallocate the funds to other eligible CDBG projects.
- 8.5 CITY shall budget and expend all CDBG Funds provided by COUNTY under this Agreement in accordance with the Division's "Procedures Manual for Subrecipients."
- 8.6 CITY shall account for program income related to the Project financed in whole or part with CDBG Funds. Upon the prior written approval of COUNTY, program income generated as a result of receipt of CDBG Funds under this Agreement shall be used in one (1) of the following manners:
  - 8.6.1 Added to funds committed to the Project by CITY and used proportionally to the original funding allocation to further eligible program objectives.
  - 8.6.2 To finance the nonfederal share of the Project.
  - 8.6.3 Only for eligible CDBG activities.
  - 8.6.4 Returned to COUNTY upon written request of the Division.

- 8.7 Any real property under CITY's control that was acquired or improved in whole or in part with CDBG Funds shall be:
- 8.7.1 Used to meet one of the National Objectives in 24 C.F.R. 570.208 until five (5) years after expiration of this Agreement; and
  - 8.7.2 Disposed of, if disposition occurs, in a manner that results in COUNTY being reimbursed in the amount of the current fair market value of the property less any portion of the value attributable to the expenditure of non-CDBG Funds for acquisition of or improvement to the property.
- 8.8 If CITY causes any CDBG Funds provided by COUNTY under this Agreement to be expended in violation of this Agreement, it shall be responsible to refund such monies in full to COUNTY from nonfederal resources, or, if this Agreement is still in force, any subsequent request for payment shall be withheld by COUNTY. Failure to complete the Project in accordance with this Agreement, whether voluntarily or otherwise, constitutes a material breach of this Agreement, and any CDBG Funds provided by COUNTY pursuant to this Agreement for the Project shall be repaid in full to COUNTY from nonfederal resources. This provision shall survive the expiration or earlier termination of this Agreement.

#### **ARTICLE 9 - TERM OF AGREEMENT**

The term of this Agreement shall commence retroactively on **October 1, 2012**, and shall end on **September 30, 2013**, unless terminated earlier or extended pursuant to the terms of this Agreement.

#### **ARTICLE 10 - TERMINATION**

- 10.1 This Agreement is subject to the availability of CDBG Funds. Should CDBG Funds no longer be available, this Agreement shall terminate upon no less than twenty-four (24) hours notice in writing to CITY. Said notice shall be provided by COUNTY in accordance with Article 11, Notices. COUNTY shall be the final authority as to the availability of CDBG Funds.
- 10.2 If, through any cause, CITY fails to commence work on the Project, as set forth in Exhibit "C," Project Schedule/Timeline, within ninety (90) days from the date of COUNTY's issuance of the Notice to Incur Costs, or fails to fulfill in timely and proper manner its obligations under this Agreement, or if CITY shall violate any of the covenants, agreements, or stipulations of this Agreement, COUNTY, in the discretion of and through the County Administrator, shall have the right to terminate this Agreement or suspend payment in whole or part by providing written notice to CITY of such termination or suspension of payment and specifying the effective date thereof, at least five (5) days before the effective date of termination or suspension. If payments are withheld, the Division shall

specify in writing the actions that must be taken by CITY as a condition precedent to resumption of payments and should specify a reasonable date for compliance.

- 10.3 In the event of termination, all finished or unfinished documents, data studies, surveys, drawings, maps, models, photographs, reports prepared, capital equipment and any other assets secured by CITY with CDBG Funds provided by COUNTY under this Agreement shall be returned to COUNTY.
- 10.4 Notwithstanding the above, CITY shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this Agreement by CITY, and COUNTY may withhold any payments to CITY, for the purposes of setoff until such time as the exact amount of damages is determined.
- 10.5 In the best interests of the Program and in order to better serve the people in the target areas and fulfill the purposes of this Agreement, either party may terminate this Agreement upon giving thirty (30) days' notice in writing of its intent to terminate, stating its reasons for doing so. In the event COUNTY terminates this Agreement, COUNTY shall pay CITY for documented committed eligible Project expenses in accordance with Exhibit "B," Budget Table/Costs for Project; however, after COUNTY provides notice of termination to CITY, COUNTY shall not be required to reimburse CITY for any of its eligible Project expenses under this Agreement up to the effective date of termination, if COUNTY is not able to obtain such funding from H.U.D. for the payment of these costs. The County Administrator is authorized to terminate this Agreement on behalf of COUNTY pursuant to this Section upon the Administrator's determination that termination is in the best interests of COUNTY and the Program.
- 10.6 All requests for amendments to this Agreement shall be submitted in writing to the Division Director no less than ninety (90) days prior to the termination date of this Agreement.
- 10.7 If, in the opinion of the Division Director, CITY has violated the terms of this Agreement, the Division Director may bring the matter before the County Administrator for consideration.

## **ARTICLE 12 – MISCELLANEOUS**

### **12.1 EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE.**

No party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. CITY shall comply with all applicable requirements of the Broward County CBE Program in the award and administration of this Agreement. Failure by CITY to carry out any of these requirements shall constitute a material breach of this Agreement, which shall permit the Board, to terminate this Agreement or to exercise any other remedy provided under this Agreement, or under the Broward County Code of Ordinances, or under the Broward County Administrative Code, or under applicable law, with all of such remedies being cumulative.

CITY shall include the foregoing or similar language in its contracts with any subcontractors or subconsultants, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non-discrimination requirements in 49 C.F.R. Parts 23 and 26, as amended. Failure to comply with the foregoing requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as COUNTY deems appropriate.

CITY shall not unlawfully discriminate against any person in its operations and activities or in its use or expenditure of funds in fulfilling its obligations under this Agreement and shall not otherwise unlawfully discriminate in violation of the Broward County Code, Chapter 16½, as may be amended from time to time. CITY shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by COUNTY, including Titles I and II of the ADA (regarding

nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, CITY shall take affirmative steps to ensure nondiscrimination in employment against disabled persons.

By execution of this Agreement, CITY represents that it has not been placed on the discriminatory vendor list (as provided in Section 287.134, Florida Statutes, as may be amended from time to time). COUNTY hereby materially relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle COUNTY to terminate this Agreement and recover from CITY all monies paid by COUNTY pursuant to this Agreement, and may result in debarment from COUNTY's competitive procurement activities.

## 12.2 AUDIT RIGHT AND RETENTION OF RECORDS.

COUNTY shall have the right to audit the books, records, and accounts of CITY and its subcontractors that are related to this Project for the period of time required by 24 C.F.R. 570, if such retention period is greater than that required by the Florida Public Records Act, Chapter 119, Florida Statutes, as may be amended from time to time. CITY and its subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Project. All books, records, and accounts of CITY and its subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, CITY, or its subcontractor, as applicable, shall make same available at no cost to COUNTY in written form.

CITY and its subcontractors shall preserve and make available, at reasonable times for examination and audit by COUNTY, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period, or for a minimum period of five (5) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the required retention period or five (5) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by COUNTY to be applicable to CITY's and its subcontractors' records, CITY and its subcontractors shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CITY or its subcontractors. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for COUNTY's disallowance and recovery of any payment upon such entry.

CITY shall, by written contract, require its subcontractors to comply with the requirements and obligations of this Section 12.2.

### 12.3 INDEPENDENT CONTRACTOR.

CITY is an independent contractor under this Agreement. Services provided by CITY shall be performed by employees of CITY subject to the supervision by CITY, and shall not be deemed officers, employees, or agents of COUNTY. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to services rendered under this Agreement shall be those of CITY, which policies of CITY shall not conflict with COUNTY, or State of Florida policies, rules or regulations relating to the use of CDBG Funds provided under this Agreement.

### 12.4 PRIOR AGREEMENTS SUPERSEDED.

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein; and there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written.

### 12.5 AMENDMENTS.

COUNTY may, in its discretion, amend this Agreement to conform to changes in federal, state, local, and/or COUNTY directives and objectives. Such amendments shall be incorporated by written amendment as a part of this Agreement and shall be subject to approval of the Board of County Commissioners, except the County Administrator shall be authorized to execute amendments that change the term of the Agreement or that change the Project, so long as the Project consists of eligible activities under 24 C.F.R. Part 570. Except for the provisions as set forth herein, no modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith. The Division Director shall be authorized to approve line item changes to the budget information set out in Exhibit "B," Budget Table/Costs for Project, attached hereto, in the form of an amendment to this Agreement, provided such changes do not result in an increase in the CDBG Fund amount set forth in Section 4.1 of this Agreement, and Exhibit "B."

## 12.6 SUBCONTRACT AND ASSIGNMENT.

Except as provided for in this Agreement, CITY shall not subcontract, transfer or assign the performance of services called for in this Agreement. However, this Agreement shall run to COUNTY or its successors.

## 12.7 REPORTS.

All reports, plans, surveys, information, documents, maps and other data procedures developed, prepared, assembled or completed by CITY for the purposes of this Agreement shall become the property of COUNTY without restriction, reservation or limitation of their use and shall be made available by CITY at any time upon request by COUNTY or Division. Upon completion of all work contemplated under this Agreement, copies of all of the above data shall be delivered to the Division Director upon the Director's written request.

## 12.8 CONFLICT OF INTEREST.

CITY shall comply with the requirements of 24 C.F.R. 570.489 relative to the Conflict of Interest provisions. CITY, its officers, employees, agents, or consultants who exercise or have exercised any functions or responsibilities with respect to the Project or who are in a position to participate in a decision making process or gain inside information with regard to the Project, shall not obtain a financial interest or benefit from the Project, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one (1) year thereafter. Any possible conflicting interest on the part of CITY, its employees, or agents, shall be disclosed in writing to the Division.

## 12.9 CONFLICTS.

Neither CITY nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with CITY's loyal and conscientious exercise of judgment related to its performance under this Agreement. None of CITY's employees shall, during the term of this Agreement, serve as an adverse or hostile witness against COUNTY in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process, nor shall such persons give sworn testimony or issue a report or writing, as an expression of his or her opinion, which is adverse or prejudicial to the interests of COUNTY in any such pending or threatened legal or administrative proceeding. The limitations of this section shall not preclude such persons from representing themselves in any action or in any administrative or legal proceeding regarding this Agreement. In the event CITY is permitted to utilize subcontractors to perform any services required by this Agreement, CITY shall prohibit such subcontractors, by written contract, from having any conflicts as within the meaning of this section.

12.10 JURISDICTION, VENUE, WAIVER OF JURY TRIAL.

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the state of Florida. Jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **BY ENTERING INTO THIS AGREEMENT, CITY AND COUNTY HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**

12.11 SEVERANCE.

In the event this Agreement or a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless COUNTY or CITY elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven (7) days after the finding by the court becomes final.

12.12 LEGAL PROVISIONS DEEMED INCLUDED.

Each and every provision of any law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein, and this Agreement shall be read and enforced as though it were included herein and if, through mistake or otherwise, any such provision is not inserted or is not correctly inserted, then upon application of either party this Agreement shall forthwith be amended to make such insertion.

12.13 COMPLIANCE WITH APPLICABLE LAWS.

CITY shall keep fully informed of all Federal and State laws, all local laws, ordinances and regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which, in any manner, affect work authorized under the terms of this Agreement. CITY shall at all times observe and comply with all such laws, ordinances, regulations, and orders.

12.14 THIRD PARTY BENEFICIARIES.

Neither CITY nor COUNTY intends to directly or substantially benefit a third party by this Agreement. Therefore, there are no third party beneficiaries to this Agreement and no third party shall be entitled to assert a claim against either of them based upon this Agreement. The parties expressly acknowledge that it is

not their intent to create any rights or obligations in any third person or entity under this Agreement.

12.15 WAIVER OF BREACH AND MATERIALITY.

Failure by COUNTY to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. No waiver shall be effective unless it is in writing and signed by the party against whom it is asserted. A waiver of any provision of this Agreement or failure to perform any of the terms, covenants, and conditions of this Agreement shall not be deemed a waiver of any prior or subsequent failure to perform any term, covenant or condition of this Agreement and shall not be construed to be a modification of the terms of this Agreement. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof.

12.16 JOINT PREPARATION.

Each party and its counsel have participated fully in the review and revision of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

12.17 PRIORITY OF PROVISIONS.

If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of this Agreement, the term, statement, requirement, or provision contained in Articles 1 through 12 of this Agreement shall prevail and be given effect. In the event there is a conflict between any provisions set forth in this Agreement and a more stringent State or Federal provision which is applicable to any services performed under this Agreement, the more stringent State or Federal provision shall prevail.

12.18 INCORPORATION BY REFERENCE.

The truth and accuracy of each "Whereas" clause set forth above is acknowledged by the parties. The attached Exhibits "A" – "E" are incorporated into and made a part of this Agreement. The Rules and Regulations of H.U.D. and any other H.U.D. regulations addressed in this Agreement which are not specifically identified in the definition contained in Section 1.12 herein shall be deemed incorporated herein by reference.

#### 12.19 USE OF TERMS.

All terms and words used in this Agreement, despite the number and gender in which used, shall be deemed to include any other gender or number as the context or the use thereof may require. Terms such as "herein," "hereof," "hereunder," and "hereinafter" refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a section of this Agreement, such reference is to the section as a whole, including all of the subsections and subparagraphs of such section unless the reference is made to a particular subsection or subparagraph of such section.

#### 12.20 SURVIVAL.

Either party's right to monitor, evaluate, enforce, audit and review, any obligations to indemnify and insure, and any assurances and items of financial responsibility shall survive the expiration or earlier termination of this Agreement. Any provision of this Agreement which contains a restriction or requirement which extends beyond the date of termination or expiration set forth herein shall survive termination or expiration of this Agreement and be enforceable.

#### 12.21 FURTHER ASSURANCE.

CITY and COUNTY shall execute, acknowledge, deliver, and cause to be done, executed, acknowledged and delivered all such further documents and perform such acts as shall reasonably be requested of it to carry out this Agreement and give effect hereto. Accordingly, without in any manner limiting the specific rights and obligations set forth in this Agreement, the parties intend to cooperate with each other in effecting the terms of this Agreement.

#### 12.22 TIME IS OF THE ESSENCE.

Time shall be of the essence under this Agreement and the representations and warranties solely made herein are all material and of the essence of this Agreement.

#### 12.23 WAIVER OF CLAIMS.

CITY shall waive any claim against COUNTY, and its agents, servants and employees for loss of anticipated profits caused by any suit or proceedings directly or indirectly attacking the validity of this Agreement or any part thereof, or by any judgment of award in any suit or proceeding declaring this Agreement null, void or voidable, delaying the same or any part thereof, from being carried out.

#### 12.24 CUMULATIVE RIGHTS.

All rights and remedies of COUNTY hereunder or at law or in equity are cumulative and shall be in addition to any other rights and remedies available. The exercise of any right or remedy shall not be taken to exclude or waive the right to the exercise of any other. Failure by COUNTY to promptly exercise any of its rights shall not operate to forfeit or be treated as a waiver of any such rights.

#### 12.25 SPECIFIC PERFORMANCE.

In addition to all other remedies, CITY's obligations contained herein shall be subject to the remedy of specific performance by appropriate action commenced in a court of competent jurisdiction.

#### 12.26 FORCE MAJEURE.

If the performance of this Agreement, or any obligation hereunder is prevented by reason of hurricane, earthquake, or other casualty caused by nature, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency, the party so affected, upon giving prompt notice to the other party, shall be excused from such performance to the extent of such prevention, provided that the party so affected shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such non-performance exceeds sixty (60) days, the party that is not prevented from performance by the force majeure event shall have the right to terminate this Agreement upon written notice to the party so affected. This section shall not supersede or prevent the exercise of any right the parties may otherwise have to terminate this Agreement.

#### 12.27 COUNTY BUSINESS ENTERPRISE PROGRAM.

COUNTY has established a policy relating to County Business Enterprise ("CBE") program participation in all County contracts. Although this Agreement does NOT have assigned CBE goals, pursuant to 24 C.F.R. 85.36(e) or 84.44(b), CITY shall take affirmative steps to use small firms, minority-owned firms, or labor surplus area firms when possible as the sources of supplies, equipment and services.

#### 12.28 EXECUTION AUTHORITY.

The individual executing this Agreement on behalf of CITY personally warrants that he or she has full authority to execute this Agreement on behalf of CITY.

12.29 MULTIPLE ORIGINALS.

Multiple copies of this Agreement may be executed by all parties, each of which, bearing original signatures, shall have the force and effect of an original document.

#### Allowable Cost for U.S. HUD Share of Budget

Federal cost principles for grants and contracts with state and local governments are stated in OMB Circular A-87 (now 2 C.F.R. 225), Cost Principles for State, Local and Indian Tribal Governments. This document is an extensive and somewhat complicated series of principles governing the allowability of various types of costs under federal grants and contracts. General information concerning the cost principles is summarized below. The following types of costs are specifically unallowable:

- (A) Advertising costs other than those associated with recruitment of personnel and the solicitation of bids for goods and services.
- (B) Bad debts.
- (C) Contingencies.
- (D) Contribution and donations.
- (E) Entertainment.
- (F) Fines and penalties.
- (G) Interest.
- (H) Losses on other grants or contracts.

Most other categories of cost are generally allowable under the cost principles provided the costs are allowable and reasonable. General comments on individual cost elements are listed below:

**Salary** costs are generally allowable provided they are based on actual current salaries adjusted for any anticipated cost-of-living or merit increases during the grant period. Salary costs for unidentified new employees must be consistent with the organization's overall employee compensation structure. The organizational compensation policy should not change as a result of obtaining a federal grant.

**Fringe Benefit** costs such as pay for vacations, holidays, sick leave, employee insurance, and unemployment benefits are allowable to the extent required by law or established organizational policy.

### BUDGET TABLE/COSTS FOR PROJECT (Continued)

**Travel** costs consistent with established organizational policy are generally allowable. The difference between first class and coach air fare is specifically unallowable. In the absence of established organizational travel policy, it is a good practice to adopt policies consistent with the federal travel regulations.

**Equipment** costs should be based on the least cost method of acquisition (rent, purchase, lease with option to buy) over the grant period as demonstrated by competitive bidding. Equipment costs are only allowable to the extent the equipment is directly necessary to accomplish the grant. The cost of equipment not fully utilized under the grant must be allocated to other organization costs to assure a fair share distribution. Whenever practical, used equipment should be considered in meeting equipment needs.

**Material** cost directly associated with the project is allowable. Prices must generally be justified through competitive bids except for nominal purchases.

**Subcontracts** must be awarded on a competitive basis except in extraordinary circumstances. The same principles applicable to individual cost principles for grantees are generally applicable cost-reimbursement type subcontracts under grants.

**Consultant** agreements should include a certification by the consultant that the consultant rate is equal to or less than the lowest rate the consultant accepts for comparable work. Additionally the Congress has prohibited the salary component of consultant fees under H.U.D. Grants not to exceed the applicable approved rate schedule.

**Construction** costs include construction of new buildings, structures, or other real property as well as alteration or repair of existing structures. Construction costs should be supported by detailed cost estimates and competitive bidding. Consult with the Housing Finance and Community Development Compliance Officer on applicability of the Davis-Bacon Wage determination to this project.

**Other** costs include all types of direct costs not specified above. Normally, such costs include space, telephone, utilities, printing, and other basic operating expenses.

**Leverage** is that which the municipality or non-profit organization brings to the project. It may be in the form of services or contributed operating expenses (in-kind contributions) or cash support from the organization itself or from other sources.
