MEMORANDUM

May 10, 2013

RE: - Certification of Insurance for Broward County - Coastal Cleanup 2013

To Whom It May Concern,

To the extent permitted by law, the Broward County Board of County Commissioners (Board) is self-insured for liability and workers' compensation coverage through the Board's self-insurance program.

The liability program, in effect since May 10, 1977, operates in accordance with Florida Statutes, 768.28, and provides statutory limits for liability without waiver of sovereign immunity. This is a fully funded self-insured and self-administered program.

The workers' compensation program operates in compliance with and under the auspices of Florida Statutes, Chapter 440. The limits are 200,000 per person and 300,000 each accident. The effective date is 2/1/13 to 2/1/14. This is a fully funded self-insured and self-administered program, and the Board has elected to purchase excess coverage.

The property program is a purchased-insurance program. The Board has purchased commercially marketed insurance for County-owned assets.
