Re: Letter of Interest

To Whom It May Concern:

I respectfully submit this *Letter of Interest* for the current vacancy for the seat of City Commissioner for the City of Dania Beach.

For the past twenty-three years my husband and I have made Dania Beach our home.

During this time we have witnessed unprecedented growth in this city. Now it seems we are juxtaposed to make giant strides forward.

Therefore, it is vital that the person who is appointed to this vacancy possess a combination of intelligence, reasoning and strength of character.

Most people throughout this city are familiar with my work on behalf of the Dania Beach Paul DeMaio Library. With a strong group of peers, I was instrumental in bringing this library to our city. I have worked tirelessly on behalf of our citizens, particularly for our children to raise funds to provide the utmost in programming and materials for our library.

As Vice Chair of the Dania Beach Creative Arts Council, I have been an active participant in bringing the arts to our city in numerous ways. As an Education Advisory Board member for Dania Beach, I am working diligently to oversee the requirements of our schools.

Most importantly, I care deeply about the needs of the people of our community.

It would be a pleasure to serve on the Commission and to work with all of the Commissioners to accomplish what lies ahead in the coming months.

Thank you for your kind consideration.

Sincerely,

Ann Page
