Pompano Beach issued this bid as the lead agency, on behalf of the City and nineteen other governmental agencies in the South Florida Governmental Purchasing Cooperative. The estimated quantities stated in the bid solicitation include anticipated requirements from all of the participating agencies, including the City of Pompano Beach.

The City's Public Works Department requires mulch on an ongoing basis for use in landscaping throughout the city. The Public Works Department recommends the contract be awarded to the low bidder for each bid item as the primary contractor:

- FIS Outdoor, Items 1, 9
- Landscape Products, Item 2

Awards are also recommended to the remaining responsive bidders for each item, to be used as alternate sources if the primary vendor is unable to supply the product. It is anticipated that most orders will be placed with the primary awardee for each item to achieve the lowest cost to the City and Cooperative.

City purchases will be made, as needed, from budgeted funds in account, 001-3060-530.46-10, Repair & Maintenance / Land Building Improvements.

SECTION I - SPECIFICATIONS/SPECIAL CONDITIONS

A. Intent

The intent of this bid is to establish annual, open-end contracts for the purchase of mulch, delivered, in bulk or bags, or delivered and installed, as and when needed. The City of Pompano Beach is acting as the lead agency on this bid for the Southeast Florida Governmental Purchasing Cooperative, and this bid solicitation includes the requirements of both the City and the participating agencies named herein. Any reference to a single agency or location will, in fact, be understood as referring to all participating agencies referenced in the documents unless specifically noted otherwise.

B. Contract Period

The initial contract period shall be one year, commencing upon award by the appropriate City officials. The contract shall be automatically renewed for a second one-year period unless the General Services Director or the successful bidder receiving award shall give notice to the other party of intent not to renew for the second period, which notice must be delivered by certified mail and must be received at least sixty (60) days prior to the end of the initial contract period. All terms, prices and conditions shall remain firm for the initial period of the contract, and any renewal period.

The City may require additions or deletions of participating agencies, if a contract renewal is considered. This may entail additional agencies and locations, and/or deletion of previous participating agencies. The Contractor shall serve all required additions or deletions, as requested by the City, according to the terms and conditions of the bid.

In the event delivery/service is scheduled to end because of the expiration of this contract, the Contractor shall continue to deliver/service upon the request of the General Services Director. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor shall be compensated for the product/service at the rate in effect when this extension clause is invoked by the City.

Alternate awards will be made to the other responsive, responsible bidders per item to provide the City and Cooperative a source of supply should the primary contractor be unable to supply product when required. It is anticipated that most orders will be placed with the primary awardee for each item to achieve the lowest cost to the City and Cooperative.

E. Pricing

All prices bid shall be F.O.B. destination/delivered to each location, as specified on the individual order.

F. Delivery

Bidders are to state the number of calendar days after receipt of an order required for delivery. The City seeks a source of supply that will provide accurate and timely delivery. The certification or proof of insurance must contain a provision for notification to the City ten (10) days in advance of any material change in coverage or cancellation.

The successful bidder shall furnish to the City the certification or proof of insurance required by the provisions set forth above, within ten (10) days after notification of award of contract.

Any questions as to the intent or meaning of any part of the above required coverage should be directed to the Risk Manager at (954) 786-5555.

M. Questions And Communication

All questions regarding the bid are to be submitted in writing to the Purchasing Office, 1190 N.E. 3rd Avenue, Building C (Front), Pompano Beach, Florida 33060, fax (954) 786-4168. All questions must include the inquiring firm's name, address, telephone number and Bid name and number. Questions must be received at least seven (7) calendar days before the scheduled bid opening. Oral and other interpretations or clarifications will be without legal effect. Questions and answers will be distributed to all firms known to have obtained the bid document from the City.

N. E-Payables

The City of Pompano Beach has implemented a voluntary E-Payables Program. This program allows the City to pay vendors via credit card and turn around vendor payments in a shorter timeframe than the traditional check payment mechanism.

How Does the Program Work?

The City will issue a unique credit card number to each vendor. Vendors would retain the credit card number on file. The card will retain a zero balance until payments have been authorized by the City. Once goods have been delivered or services rendered, vendors submit invoices to the Finance Department according to the normal process. When payments are processed by Finance and authorized, an email notification is sent to an email address provided by the vendor. The email notification includes the invoice number, invoice date, and amount of the payment. Once the vendor receives the email, the credit card has been authorized to be charged for the amount listed in the email. When the vendor charges the full amount authorized in the email the, the card will return to a zero balance until the next payment is authorized.

Is There a Cost to Participate in the Program?

The City of Pompano Beach does not charge vendors to participate in the program, however, there may be a charge by the company that processes your credit card transactions.

What are the Benefits of Receiving Payments by Credit Card?

Vendors that accept credit card payments are not subject to the City's payment terms of net 45 days. This will allow:

- Vendors to receive their payments sooner to use for day to day operations or investments.
- Vendors to quickly reduce outstanding Accounts Receivable balances.
- Vendors to reduce the cost of paper processing, employee time spent on preparing and making deposits and bank check processing fees.

Potential vendors may access more detailed information about the E-Payables Program at <http://www.bankofamerica.com/epayablesvendors>, including answers to "Frequently Asked Questions". Vendors may also contact the City's Finance Department at 954-786-4545.

Vendors submitting a proposal to the City should indicate in their response whether or not they would be willing to enroll in the City's E-Payables Program. Vendors ultimately awarded a contract with the City may contact the Finance Department at 954-786-4545 to enroll in the Program.
