MEMORANDUM

TO: Mark Bates, Finance Director
Dominic Orlando, PE, Public Services Director

FROM: Ronnie S. Navarro, PE, City Engineer

YS 3/14/14

Date: March 14, 2014

RE: Bid Award Recommendation
SE Stormwater Drainage Project - Phase 1

On February 28, 2014 at 10:30 am, five bids were received as follows:

Metro Equipment Services, Inc.	\$1,299,000.00
David Mancini and Sons, Inc.	\$1,336,519.89
Close Construction	\$1,350,493.00
Gianetti Contracting Corporation	\$1,474,000.00
Lanzo Construction Company	\$1,497,000.00

The Bid Committee met on March 10, 2013 at 2:00, three of the original members of the Bid Committee were absent (Jose Urtecho, Carl Ervin and Tania Stevens). A representative from the consulting firm, Calvin Giordano & Associates, Sabrina Baglieri, was present. Ronnie Navarro attended the bid meeting and so was Yeimy Guzman attended on behalf of Tania Stevens. It was agreed at that meeting that the recommendation of the consultant will be accepted for recommendation.

Today, however, a survey was sent out to all members of the bid committee to validate our Consultant's recommendation. Two questions were posted: Are you in favor of awarding the contract to the lowest responsible bidder? Who among the bidders are you recommending for award? Based on the five anonymous responses, all were in favor of awarding the contract to the lowest responsible bidder which is Metro Equipment Service, Inc.

The Bid Committee is therefore recommending award of the contract to the lowest and responsive bidder, Metro Equipment Services, in the amount not to exceed \$1,299,000.00, including all allowances.
