

June 12, 2014

Jackie Beauzil
Human Resource Manager
City of Dania Beach
100 West Dania Beach Blvd.
Dania Beach, FL 33004

Dear Jackie:

Staffing Connection looks forward to continuing to provide school crossing guard services to the City of Dania Beach. Staffing Connection proposes an initial three (3) year contract that will begin August, 2014 and end July, 2017. With a renewal option of one (2) year extension.

Staffing Connection offers to extend the existing Bill Rate of \$12.58 per hour. The school crossing guard program currently consists of 14 crossing guards working 2.5 hours per day @ \$12.58/hr and one field supervisor working 4.5 hours per day @ \$12.58/hr. This contract was increased by two crossing guards at the Cities request in 2013. Total cost for 180 standard school days is \$89,443.80. Summer School is a possibility, it is unlikely that all guards would work if any for summer school. A school calendar including summer school uses 240 days and the cost would be \$119,258.40. Summer school is determined each year by the School Board of Broward County. If there is summer school in Dania Beach a schedule would be prepared and presented for the Cities approval.

Our entire staff takes great pride in knowing that we have provided you with excellent service since 2002.

If you have any questions, please contact call 954-776-3444.

Sincerely,

Sharron Cook
Branch Manager, School Crossing Guard Division
