

**CITY OF DANIA BEACH
COMMUNITY DEVELOPMENT DEPARTMENT
STAFF REPORT**

DATE: July 22, 2014

TO: Robert Baldwin, City Manager

FROM: Marc LaFerrier, AICP, Director 

SUBJECT: Extension of Security Services for various city facilities and locations.

The City Commission previously approved the purchase of security services from Professional Security and Investigations Company of Dania Beach for security services of the City's facilities near City Hall.

Due to a delay in the competitive bid process, it is necessary to extend the security services provided by Professional Security and Investigations Company through September 30, 2014. The additional services will not exceed \$48,500. The funding for the increase for services will be provided by a transfer from the Parking Fund (Other Uses Reserve for Future Capital) account #404-45-02-545-99-70 to the Parking Fund (Professional Services) account #404-45-03-545-34-10.

The competitive bid process to select a company for security services is underway and final review of the proposal is in process. Staff is anticipating submitting a recommended contract to the City Commission for consideration by the end of September 2014.
