City of Dania Beach

Dear Mr. LaFerrier

In compliance with your request we are submitting a proposal and budget to provide an unarmed Security Officer for your review at the following areas of coverage:

City Hall Facility, Parking Garage, exterior of Broward County Library, exterior of Fire Department, Women's Club, Parks & Recreation and Chamber of Commerce Building. In addition, the Security Officer on duty will open and secure the City Hall facility pertaining to all after hour scheduled events.

All Management directions provided to Professional Security & Investigations will be reduced to written instructions that will be referred to as post orders. These post orders, after review and approval by City of Dania Beach - City Hall, will become the on site operational procedures.

In addition to incorporating all procedures into the Security Officers job requirements, special emphasis will be placed on public relations and the City of Dania Beach - City Hall image.
