## N SERIES

STRONGER EVERYWHERE

# NEW N Series Loader Backhoe

- More Powerful Backhoe
- Stronger Loader
- Improved Efficiency

### Better Backhoe

Case's exclusive new Power Lift™ system outperforms competitive models by as much as 39% while running at low engine RPMs. The new boom design has larger and stronger bucket pins, triple bushings, and floating pins for improved lift capacity and breakout force.

### Parts & Service

When it's time for parts and service, our expert technicians provide service on-site or in our state-of-the-art shops. Parts are delivered within 24 hours.

### Better Loader

Improvements include: longer reach, better breakout force, and higher lift capacity. Operators can reach the center of the truck to dump material for faster loading and increased payloads.
