Subject: Creative Arts Council Advisory Board Request for Funding
Signal Box Decorations

The Creative Arts Council Advisory Board (CAC) is requesting funding for the signal box decoration project in the amount of the \$17,500. Mr. Dan Murphy's memo of January 6, 2015 provides the details of the funding request (attached).

Funding would be provided for from the Commission's Contingency Account, which has a balance of \$194,150.00. The City Commission's practice has been to fund CAC projects on a project-by-project basis, through its contingency rather than an appropriation in the budget.
