RE: ITB#12-13-034 Sidewalk Replacement and Installation

Dear Mr. Trasobares:

The specifications in the above referenced bid provide that the current contract may be renewed for an additional year, on an annual basis not to exceed three years. The same terms and conditions and pricing of the current contract will be applied to the extended contract.

Inasmuch as the current contract will expire on or about July 1, 2014, the City of Miami Gardens is extending this agreement through June 30, 2015. If you concur, please sign below and return to my attention as soon as possible.

The City of North Miami Beach had requested to be added to the contract.

Please notify your insurance carrier of the extended period of award and have them forward any renewal insurance certificates to my office, naming the City of Miami Gardens as an additional insured.

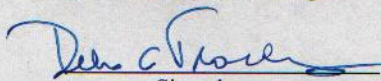

I want to thank you for all of the service you and your company have provided this past year and look forward to your continued service in the coming year.

If you have any questions or if I can be of any assistance contact my office.

Sincerely,

Pam Thompson
