Dear Municipality:

Attached are amendments to three interlocal agreements requiring approval by your municipal governing board no later than June 1, 2015. The attached amendments are required in order to adjust each City's percentage share based on updated population figures.

Summary of Amendments

The three interlocal agreements and amendments are described below:

- The "original" local option gas tax agreement last levied in 1988 provides for Cities to receive 37.5% of the proceeds of six cents of gas tax. This amendment adjusts each City's percentage share of the 37.5% based on updated population figures.
- The "additional" local option gas tax agreement levied in 1994 provides for Cities to receive 51.27% of three cents of gas tax. The Cities' share of this gas tax has increased over the years due to annexations, however, there were no annexations of populated areas effective September 2014 so the Cities' share of the three cents of gas tax will remain the same as last year. As a result, this amendment adjusts each City's percentage share of the 51.27% based on updated population figures.
- The "transit gas tax" agreement levied in 2001 provides for Cities to receive 26% of the proceeds of one cent of gas tax. This amendment includes adjustments to each City's percentage share based on updated population figures.

Revisions to Population Figures

The three interlocal agreements provide for the distribution of gas taxes among the Cities based on population figures published annually by the University of Florida Bureau of Economics and Business Research. The interlocal agreements also provide for the population numbers to be revised annually using the most current published figures.

Please place the three amendments on the agenda for approval by the municipal governing board as soon as possible and return the signed agreements no later than June 1, 2015. If you have any questions about the amendments, please contact Jennifer Steelman from the County's Office of Management and Budget at 357-6226.

Attached are copies of the above discussed amendments. Please return **three** executed originals of each amendment (nine total) to:
