Eric,

The owner of the company went down to the city to pay with a credit card but was told he can't pay with an American Express. They told him they don't take American express and that is the only way he can pay. He says he doesn't have the money to pay and would like to set up a stipulation agreement and pay \$1,183.33 a month over the next 6 months to satisfy this debt. Please reply to this email confirming if you can accept payment in these terms.

Thanking you in advance,

Michael Soler
