SUBJECT: **PL-058-15:** The applicant, Jan H. Smith A.I.A on behalf of Gerdau Ameristeel U.S., Inc., is requesting plat approval for the property located at 2025 Tigertail Boulevard. (Second Reading)

**REQUEST
PLAT**

To establish a perimeter plat restricted to 150,000 sq. ft. of industrial use (52,904 sq. ft. existing and 97,096 sq. ft. proposed).

PROPERTY INFORMATION

EXISTING ZONING: Industrial Research Office Commercial (IROC)
LAND USE DESIGNATION: Industrial

The subject property is a little over eleven (11) acres in size and it is located along Tigertail Blvd. The site currently houses the Gerdau Ameristeel industrial use which has been in business since 1960's. The primary operation involves bending and cutting steel reinforcement bars for the construction industry. The applicant is proposing to expand the existing fabrication, office, storage and fleet parking areas and renovate the site; therefore, platting is necessary.

PLAT

The proposed plat establishes access openings along Tigertail Blvd, dedicates a five (5) foot right of way to Tigertail Blvd as requested by Broward County Traffic-ways Plan and proposes two more vehicular access points along Tigertail.

DEVELOPMENT REVIEW COMMITTEE

The plat was reviewed by the Development Review Committee, which includes representative from the BSO Fire, Public Services, the City's landscape consultant and the Planning Division. The applicant had outstanding comments which have been addressed prior to this meeting.

In addition to the plat, the applicant will be requesting site plan and variances to accommodate the proposed improvements which will be presented to the City Commission separately.

This is the second and final hearing of the plat request.

CITY COMMISSION PREVIOUS ACTION

The City Commission approved the plat on first reading on August 25, 2015.

PLANNING AND ZONING BOARD RECOMMENDATION

On August 19, 2015 the Planning and Zoning Board will hear this item. The Board's recommendation will be presented at the City Commission meeting.

STAFF RECOMMENDATION

PLAT

The plat application meets all applicable regulations as determined by the DRC, provided all staff comments are addressed prior to City Commission public hearing. Therefore, approve.
