RE: **CD-110-15:** The City of Dania Beach supports Broward Metropolitan Organization (MPO) in the creation of a "Quiet Zone" in the Florida East Coast (FEC) railway corridor. **AMENDED**

On October 27th, 2015, the City Commission approved a resolution supporting the creating of a County-wide "Quiet Zone". Since then, Broward Metropolitan Organization has requested final corrections to the resolution language to ensure universal consistency for all applicable jurisdictions.

Therefore, Section three (3) of the resolution needs to be amended to reflect the City of Hollywood as the lead applicant of the "Quiet Zone" process along with minor revisions directed by the City Attorney's office. The attached resolution has been modified to reflect such change.

STAFF RECOMMENDATION

Approval of the final corrected resolution supporting the creation of a "Quiet Zone".
