

CLD & Associates, LLC

Carole L. Duncanson

Legislative Consulting and Advocacy

November 3, 2015

Robert Baldwin
City Manager
City of Dania Beach
100 W. Dania Beach Blvd.
Dania Beach, FL 33004

Dear Mr. Baldwin:

This letter serves as a proposal to extend the agreement between the City of Dania Beach & CLD & Associates, LLC, effective January 1, 2016 through December 3, 2016 for governmental relations consulting services. It has been a pleasure to represent the City for the past 10 years. Initially I was hired only to work the legislative sessions but we moved to an annual contract several years back in order to more effectively reflect the issues I had been following of interest to the City, to assist with issues which arose involving state agencies and for better preparation to the legislative sessions as well as post session follow up. As you are aware, I have had a long term relationship with former State Representative & then State Senator Ellyn Bogdanoff. Ellyn & I have formed a collaborative relationship so I am currently proposing to expand my contract with the City to include her participation.

For year round consulting services on behalf of Dania Beach, I propose a flat fee of \$50,000 payable to CLD & Associates, LLC in equal monthly installments of \$4,166.66 on the 1st of each month beginning January 1st, 2016.

In consideration of the above fee, CLD & Associates, LLC shall provide the following services:

- * Advice & consultation in support of the City's 2016 legislative agenda as outlined by the City Manager & Commission.
- * Lobbying services before the Legislative & Executive Branch agencies
- * Meetings as necessary with the City Manager and/or other designated City officials.
- * Compliance with registration & compensation reporting as lobbyist for the City with the Legislative & Executive Branches in accordance with Sections 11.045 and 112.135, Florida Statutes, and all other appropriate legal requirements.

If the terms of this proposal are acceptable, please indicate your acceptance of the above by
