**SUBJECT** **TX-108-15:** The applicant, Corporate Property Services, Inc. on behalf of the property owner Griffin Road Three, LLC, is requesting an amendment to the Schedule of Permitted Uses for industrial zoning districts, in the Land Development Code (SECOND READING).

**REQUEST**

To amend the Schedule of Permitted Uses for industrial zoning districts to allow outdoor seating as a Special Exception and conditional use when restaurant, fast food is permitted.

The applicant is requesting the text amendment in association with a site plan application that has been submitted to the City for the development of a Wendy's fast food restaurant to be located on the north side of Griffin Road, east of Ravenswood Road.

**TEXT AMENDMENT**

The applicant is requesting to amend the Land Development Code (LDC) Schedule of Permitted Uses for Industrial zoning districts by adding 'outdoor seating' as a Special Exception and conditions use to the already identified "Restaurant, fast food" use.

The proposed amendment includes the following conditions of use:

- Accessory to fast food restaurant containing at least 500 square feet of floor area;
- Requires Special Exception approval;
- A minimum of 500 feet of separation between outdoor seating and residentially used or zoned land;
- Music shall not be permitted to be performed or amplified within outdoor seating areas; and
- Outdoor seating requires its own Certificate of Use.

This text amendment, if approved, will be applied city-wide and would allow outdoor seating in the Industrial-Research-Office-Marine, Industrial-Research-Office-Marine-Airport Approach, Industrial-Research-Office-Commercial, and Industrial General zoning districts.
