## MANAGEMENT

- Over the past 37 years I have worked for two different, large school districts. The most recent of which was the School Board of Broward County for 27 years. Broward County is the fifth largest school district in the nation with an extremely diverse population. During my tenure in each position I improved the academic and social standing of each school. In successive years, I rose through the ranks from the position of teacher to principal. During my last nine years I was the inaugural principal of Everglades High School. Located in Miramar, Florida, Everglades High School has a 91% minority population and was rated as an "A" school.

## WORKING WITH COMMUNITY RESOURCES

- During the past eight years I solicited and received 1.4 million dollars in cash contributions to enhance Everglades High School's campus and educational programs.

Dania Beach      General Employees Pension Board      March 2015 To Present

I retired from the School Board of Broward County in June of 2012, moved from my home on SE 3<sup>rd</sup> Street, to my new home at 1414 Argonaut Isle and am now ready to assume a responsible role serving the community of Dania Beach. I believe my education, work experience, and previous service to the people of this community uniquely qualifies me for the appointment to complete the term of the vacant commission seat. I thank you in advance for your consideration and remain sincerely yours,
