Mr. Ronnie Navarro, PE
Deputy Public Works Director and City Engineer
City of Dania Beach

**Re: Sidewalk Design and Construction Supervision
SW 40th Avenue between SW 54th Court and Stirling Road**

Dear Mr. Navarro;

EBS Engineering, Inc. is pleased to submit this proposal to provide professional engineering consulting services for the sidewalk project on SW 40 Avenue between SW 54 Court and Stirling Road as outlined below:

Project Scope

The scope will include design of about 2,300 linear feet of 5' wide concrete new sidewalk along the west side of the roadway from SW 54th Court to Stirling Road in conformance with ADA requirements.

TASK 1: Sidewalk Design

- Task 1.1: 60% Design and Cost Estimates
- Task 1.2: 100% Design and Cost Estimates

TASK 2: City Meeting/Workshop

Task 2.1 Public Coordination Meeting - Consultant will conduct one public workshop together with City staff to gather input from neighborhood residents, business owners, and other project stakeholders on the proposed improvements for the SW 40th Avenue Sidewalk Improvement Project.

TASK 3: Construction Observation and Inspection

Deliverables

- 2 half size sets (11"x17") at each submittal
- 1 digital copy (CAD format) at each submittal
- 1 digital copy (PDF format) at each submittal Technical Specifications:
- 1 hard copy at 100% submittal
- 1 digital copy (PDF format) at 100% submittal

Assumptions

- Aerial photograph to be used. No new survey will be prepared.
- City will coordinate and schedule the public workshops with residents.

- No anticipated right-of-way acquisition and no permitting is anticipated.

EBS Engineering, Inc. will provide the above mentioned services for a lump sum fee of \$26,500.00

Please feel free to contact us should you have any questions or need further information related to this proposal.

Sincerely,

Maqsood Mohammad Nasir, PE
Director of Engineering
